SatCollect is an affordable way to call any BGAN phone in the world via a local number. Calls to this local number are automatically routed to your BGAN phone wherever it is in the world. Calls to your BGAN phone are then billed on a fixed per minute basis (call for the per minute rate for your Inmarsat system) rather than the extreme rates some long distance carriers will charge you.

Subscriber understands that OCENS at its discretion may adjust or change monthly subscription fees and usage fees and may extend the contract period. **SUBSCRIBER WILL BE RESPONSIBLE FOR ALL SUBSCRIPTION FEES AND AIRTIME CHARGES PRIOR TO NOTIFICATION OF DEACTIVATION OR DOWNGRADE.**
3. Subscriber understands that BGAN terminals are capable of making high speed (broadband) Internet connections. Subscriber understands that such connections can result in significant bills for satellite airtime if usage is not monitored and controlled by Subscriber. Subscriber recognizes they are solely responsible for controlling such access and paying any and all fees resulting from this access and that no credits will be given in the event of such access.
4. *Airtime Reserve – Should airtime usage by Customer exceed US\$5,000 in any seven day period, customer grants to OCENS the authority to charge such usage to customer's credit card immediately and, further, to place an additional US\$5000 in reserve, via credit card payment, against future usage.*
5. Data Transmission and Dropped Calls: Due to the technical nature of voice and data setups and the inherent sophistication of data transmission through a variety of operating systems, OCENS makes no representation as to the success of calls through the system. Customer agrees that all call attempts regardless of ultimate successful transmission and termination will be paid for and no credits will be given in the event of dispute of this nature.
6. Early Termination: Early termination during the first year of service or before any minimum term has expired in the first or subsequent years is subject to a cancellation fee equal to the cost of the remaining service subscription or minimum term. Notice of termination should be made in writing to OCENS Administrative Services at 22608 Marine View Drive, Suite 300, Des Moines, WA 98198 no less than thirty (30) days prior to the expiration of any term of this Agreement. OCENS reserves the right to terminate the contract at any time during the contract period, in which case notice in writing will be given.
7. Invoicing and Guarantee of Payment of Service: OCENS will invoice customer monthly and unless otherwise agreed in advance bill customer's credit card for all usage incurred during the month just completed and service access for the month following the month just completed. Customer understands that they are responsible for all air time charges, including but not limited to direct airtime, long distance charges, roaming charges (if applicable) and charges for any Customer-elected, value-added services (when available). Payment must be made in US Dollars.
8. Taxes: The price of the service does not include sales, usage, excise, ad valorem, property, or any other taxes now or hereafter imposed, directly or indirectly, by any governmental authority or agency with respect to the Service. Customer shall pay such taxes directly or reimburse OCENS for any such taxes.
9. Deposits: Mobile Satellite services are granted subject to credit approval by OCENS. OCENS requires the establishment of credit or the ability to pay invoices according to the established terms. Deposits may be required for non-US citizens or customers who do not have established credit. Customers will be notified prior to service activation if a deposit is required. Deposits will be refunded at service or contract termination.
10. Non-Payment/Breach: A late charge of 1 ½ percent per month will be applied to Customers service bills not paid by the due date. This late charge is applicable to the unpaid balance as of the due date. Customer shall pay OCENS all costs, including, without limitation reasonable attorney fees, the fees of any collection agency, and any other costs incurred by OCENS in exercising any of its rights under the Agreement. Should Customer's service be suspended for non-payment; OCENS will charge a commissioning fee of \$250.00 per terminal for re-activation of the suspended terminal.
11. Contractual Limitations: During the contract period, Customer may change their pricing plan to a higher bundle free of charge but this will renew the 12 month contract period or any minimum term commitment.
